

February 2023 report from Cllr Dave Carney

### Allotments

Visited the site on Friday the 3<sup>rd</sup> of February to find no issues or any sign of activity.

Current waiting list stands at 22 with a wait time now of 2 years. It might be a worthwhile exercise to contact those on the waiting list to confirm that they are still interested in a plot.

There are still ongoing discussions about a second allotment site.

### Defib Units

All 3 defibs were checked today and fully operational.

Clerk, could you update The Circuit with the fully operational info please?

### Finance Committee

Finance Committee meeting was held on the 26<sup>th</sup> of January to confirm the 23-24 budget proposals and to present to the PC to adopt the recommendations.

Election expenses were discussed and will no doubt continue at the next PC meeting.

### Standards Committee

Next meeting is scheduled for March this year.
