Community Jigsaw puzzle

The Lyppard Hub are celebrating 30 years since it was opened by the Mayor on 27th March 1993 and to commemorate the occasion they are creating a Community puzzle. As the Parish Council have been an integral part of the Hub's existence throughout those 30 years, I thought the PC should make a contribution.

I have collected a blank jigsaw piece from the HUB so would everyone be in favour of me coming up with a 'piece' on behalf of the Parish Council?
